Re: Annual Report 2022/23

Dear Councillor Robini,

2. “The report should include more of an overview of the state of the force, of police performance in the round and of the challenges ahead”

As above, to a great extent the Data Hub provides a very holistic summary of Force performance. However, having reflected on the Panel’s comments, I am inclined to agree that further information could be included in the Annual Report, and I will look to provide additional detail around the 20
