As the Authority has not prepared the Pension Fund Annual Report at the time of this report we have yet to issue our report on the consistency of the pension fund financial statements. Until we have done so, we are unable to certify that we have completed the audit of the financial statements in accordance with the requirements of the Act and the Code.

We cannot formally conclude the audit and issue an audit certificate in accordance with the requirements of the Act and the Code until we have completed the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the Authority for the year ended 31 March 2016. We are satisfied that this work does not have a material effect on the financial statements or on our conclusion on the Authority's arrangements for securing value for money through economic, efficient and effective use of its resources.
