**Report on the audit of the financial statements**

**Opinion on financial statements**

We have audited the financial statements of Surrey County Council (the 'Authority') and

#### **Responsibilities of the Authority and the Director of Finance – Corporate and Commercial**

As explained more fully in the Statement of Responsibilities, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Director of Finance – Corporate and Commercial. ## **Report on other legal and regulatory requirements – the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources**

### **Matter on which we are required to report by exception – the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources**

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have nothing to report in respect of the above matter.

### **Responsibilities of the Authority**

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

### **Auditor’s responsibilities for the review of the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources**

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in January 2023. This guidance sets out the arrangements that fall within the scope of ‘proper arrangements’. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;

Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and

Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor’s Annual Report.

Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.
