This information may also be shared with other government agencies responsible for the official control of animal feed, e.g. the Veterinary Medicines Directorate's Inspection and Investigations Team and the Animal and Plant Health Agency.

Feed business operators must also inform the relevant enforcement authority of any changes to the name, business name, address, activity or ownership of a feed business establishment under its control, or its closure.

EU Feed Hygiene Regulation (183/2005) -- Approval and Registration activities

References to 'manufacture and/or placing on the market' refer to activities that take place on (a) premises that both manufacture and place such products on the market (sell) and (b) premises that do not manufacture but buy and sell products.

A full list of authorised feed additives and their authorising Regulations can be found on the [EU Register](#) of feed additives.

It should be noted that the examples given for each code in the fourth column of the table below are not exhaustive.

A. Approval activities

Code	Activity description	
-------------	-----------------------------	--

Code	Activity description	Notes	Examples of feed business establishments likely to carry out the activity
A6	Manufacture and/or placing on the market of co-products of the manufacture of amino acids by fermentation.	These substances were previously covered by Directive 82/471/EEC on Certain Products (Bioproteins) which has been revoked. They are now classified as feed materials, but establishments manufacturing or selling such products continue to require approval.	Not applicable
A7	Manufacture and/or placing on the market of premixtures containing vitamins A and D.	These substances are subject to maximum inclusion rates set under Regulation 1831/2003.	Manufacturers producing premixtures containing vitamins A or D. Businesses selling (but not manufacturing) premixtures containing vitamins A or D.
A8	Manufacture and/or placing on the market of premixtures containing copper and selenium.	These products are subject to maximum inclusion rates set under Regulation 1831/2003.
