

Supplementary Information Form Exceptional Social/Medical need ± for community and voluntary controlled schools only

Applicants who wish to be considered for priority under the criterion of exceptional social/medical need at a community or voluntary controlled school should complete this form, in addition to the local authority application form . A request for exceptional social/medical priority will usually only be made for one school but if you wish to make a request for more than one school, please complete a separate supplementary information form for each school.

- x If the application is for Year 7 in September this supplementary information form and supporting evidence must be submitted by 31 October. Any forms or evidence submitted after this date may not be considered until after the national offer day
- x If the application is for Reception or Year 3 in September this supplementary information form and supporting evidence
