

Public Rights of Way Priority Statement

For keeping the Definitive Map and Statement under continuous review.

Prepared as a result of legislation contained in Part Three of the Wildlife & Countryside Act 1981

7th Edition: October 2014

In keeping the Definitive Map and Statement under continuous review, we will undertake work in the following order of priority, and with the following targets for completing the work:

- 1 Publication of Legal Event Orders listing all legal Orders (for e.g. Diversion Orders) and other events in order to modify the Definitive Map and Statement including the publication of updated map sheets.

We will publish these annually.

- 2 Processing of Rail Crossing Orders
